ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 DECEMBER 2022

REPORTING ENTITY

The Accounting and Finance Graduates Association of the Hong Kong Polytechnic University Limited is an association incorporated in Hong Kong. In the event of the Association being wound up, the liability of each member is limited to HK\$10. The Association's registered office is located at 7th Floor, Li Ka Shing Tower, School of Accounting and Finance, the Hong Kong Polytechnic University, Hunghom, Kowloon, Hong Kong. The principal activities of the Association during the year were to promote friendship, co-ordination and mutual understanding and encourage sharing of experience in the professions amongst the graduates of the School of Accounting and Finance of the Hong Kong Polytechnic University and to promote and maintain close relationship and contact between the Association and the School of Accounting and Finance of the Hong Kong Polytechnic University.

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The Association qualifies for the reporting exemption as a small guarantee company under section 359(1)(a) of the Hong Kong Companies Ordinance (Cap. 622) and is therefore entitled to prepare and present its financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard ("SME-FRS") issued by the Hong Kong Institute of Certified Public Accountants.

These financial statements comply with the SME-FRS and have been prepared under the accrual basis of accounting and on the basis that the Association is a going concern.

The measurement base adopted is the historical cost convention.

The following are the specific accounting policies that are necessary for a proper understanding of the financial statements:-

(a) Revenue

Revenue is recognised when it is probable that the economic benefits will flow to the Association and when the revenue can be measured reliably, on the following bases:-

- (i) Ordinary membership fee is stated at the total fee received less amortisation. Amortisation is calculated to recognise the fee received on a straight-line basis over a period of ten years.
- (ii) Income from activities organised by the Association are accounted for on an accrual basis.
- (iii) Interest income is recognised on a time proportion basis.

ACCOUNTING POLICIES AND EXPLANATORY NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 DECEMBER 2022

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES (CONT'D)

(b) Expenditure

Expenditure is taken up in the financial statements on an accrual basis.

(c) Foreign exchange

The reporting currency of the Association is Hong Kong Dollar, which is the currency of the primary economic environment in which the Association operates.

Foreign currency transactions are converted at the exchange rate applicable at the transaction date. Foreign currency monetary items are translated into Hong Kong Dollars using exchange rates applicable at the end of the reporting period. Gains and losses on foreign exchange are recognised in profit or loss.

(d) Taxation

Income tax expense represents current tax expense. The income tax payable represents the amounts expected to be paid to the taxation authority, using the tax rates that have been enacted or substantively enacted by the end of the reporting period. Deferred tax is not provided.

(e) Trade and other receivables

Trade and other receivables are stated at estimated realisable value after each debt has been considered individually. Where the payment of a debt becomes doubtful a provision is made and charged to profit or loss.

2. TAXATION

In the opinion of the Executive Committee, the Association received not less than half of its gross receipts on revenue account from its voting members. The Association is, therefore, deemed not to carry on a business, and not chargeable to tax in respect of its surplus under Section 24(1) of the Inland Revenue Ordinance. No provision for tax has, therefore, been made in the financial statements (2021: Nil).
